

AMENDED ADMINISTRATIVE ORDER 2021-07 RE: 7th Judicial District Approval for Jail Screening

Pursuant to C.R.S. §16-4-106 the Seventh Judicial District authorizes Advantage Treatment Centers, Inc. (hereinafter ATC) and its designated employees to evaluate persons in custody in the Montrose and Gunnison County jails to assist the court in making appropriate decisions on bond and conditions of release. This may include interviews and administration of any screening tests, including but not limited to empirically developed risk assessments such as the CPAT that predict risk of failure to appear for court and risk of danger to the community, and communication of the screening results to law enforcement agencies and courts in the 7th Judicial District. ATC is authorized to provide pretrial services *for persons* on bond in Montrose and Gunnison County District and County Court cases. All ATC employees shall also be designated as bonding commissioners.

The above acts shall be taken in compliance with §16-4-106 or pursuant to court order. ATC shall provide annual reports to the Chief Judge consistent with C.R.S. §16-4-106(5).

Dated and effective this the 26th day of April, 2021.
