If a person is arrested for driving under the influence or driving while ability impaired, pursuant to section 42-4-1301, C.R.S., and the person has one or more previous convictions for an offense in section 42-4-1301, C.R.S., or one or more convictions in any other jurisdiction that would constitute a violation of section 42-4-1301, C.R.S., as a condition of any bond, the court shall order that the person abstain from the use of alcohol or illegal drugs, and such abstinence shall be monitored;

WHEREAS, Colorado Revised Statute § 16-4-105(6)(b) states:

A person seeking relief from any of the conditions imposed pursuant to subsection (6)(a) of this section shall file a motion with the court, and the court shall conduct a hearing upon the motion. The court shall consider whether the condition from which the person is seeking relief is in the interest of justice and whether public safety would be endangered if the condition were not enforced. When determining whether to grant relief pursuant to this subsection (6)(b), the court shall consider whether the person has voluntarily enrolled and is participating in an appropriate substance use disorder treatment program;

WHEREAS, Montezuma County no longer has a pretrial services program to be used for the purpose of administering such monitoring;

EFFECTIVE IMMEDIATELY,

2. Provide proof to the court of enrollment at a qualified testing center as indicated above within 48 hours of the court ordering sobriety monitoring as a condition of bond.
