

PRE STATEWIDE ROSTER

The Office of the State Court Administrator does not certify or recommend any Parental Responsibilities Evaluator (PRE) by inclusion on this roster. Inclusion on this roster indicates that the PRE submitted a completed affidavit for eligibility as a PRE, proof of mental health licensure, passed a background check, as determined by the Office of the State Court Administrator, and submitted proof of mandatory training pursuant to CJD 21-02. A Party considering requesting appointment of a PRE should conduct an independent investigation of their qualifications. Inclusion on the eligibility roster should not create an expectation of appointment. A PRE on this Roster is eligible to accept appointments in any county, regardless of their preferred districts notated.

Directive Concerning Appointment of Parental Responsibility Evaluators, including eligibility and Standards of Practice (CJD 21-02)
