Waiver of Probation Supervision Fees when Supervision is Transferred to a Private Probation Service Provider

When a defendant is sentenced to probation and the defendant is ordered to pay probation supervision fees, it is the intent of the District that the probation supervision fees be waived if the Probation Department subsequently transfers the probation supervision to a private probation service under contract with the 17th Judicial District to provide supervision. Probation supervision fees would be paid directly to that provider.

The Probation Department will e-file a Request for Waiver of Supervisions Fees. The Clerk's Office is authorized to modify the existing sentence to reflect the waiver of probation supervision fees.

This Policy update is effective March 28, 2016.
