ADMINISTRATIVE ODRER NO. 2015-4 ORDER REGARDING OUTSTANDING JUDGMENT WARRANT PAYMENTS	

The Court ORDERS that for defendants with multiple cases and/or a balance due that is more than reasonable for the defendant's circumstances to pay within sixty days, the Collections Investigators has the authorization to allow a defendant to pay an Outstanding Judgment Warrant out of order providing the defendant makes a good faith payment and sets up a payment plan or a Voluntary Payroll Deduction.

The Court further orders that any remaining balance on any cases against the defendant shall be paid through said payment plan or Voluntary Payroll Deduction. If the defendant misses a payment or the garnishment fails for any reason the Collections Investigators shall retain the right to assess a new Outstanding Judgment against the defendant for failure to pay.

Dated and signed this 17th day of August, 2015.

Michael K. Singer,
 Chief Judge, 13th Judicial District
