---

On August 5, 2014, the 10<sup>th</sup> Judicial District commenced operations in the new Dennis Maes Pueblo Judicial Building.

The building now has inmate/attorney client conference rooms and secured holding cells where defense counsel may meet with their clients who are in custody.

Therefore, it is ordered that the only people allowed in the public (attorney) side of the inmate/attorney conference rooms or in the holding cells are the attorneys of record for the inmate. No other individuals are allowed in these conference rooms. This restriction includes paralegals and investigators.
