**AMENDED ADMINISTRATIVE ORDER CONCERNING
PRETRIAL SERVICES**

COURT USE ONLY

AMENDED ADMINISTRATIVE ORDER 2021-3

This order is issued due to the ongoing public health risk posed by COVID-19. It is imperative active steps be taken to slow the spread of COVID-19 and reasonable precautions be followed to reduce exposure to COVID-19, as this pandemic continues to threaten the health and well-being of the community. Administrative Order 2021-3 allowed pretrial services the ability to suspend testing under certain circumstances with a sunset clause of August 31, 2021. However, due to the variants and the ongoing increase of COVID-19 cases recently, the Court extends Administrative Order 2021-3 to remain in effect until June 30, 2022 or until rescinded earlier by the Court should justice so require it.

Dated this 31st of August, 2021.

Susan Blanco
Chief Judge, Eighth Judicial District
