Additional Fees

Credit card fee	3%	Only charged if you choose to pay your invoice by credit card.
Denver City Tax	N/A	Business organizations that reside within the city limits of Denver are responsible for paying the applicable city tax for information services. <i>The Colorado Courts E-Filing system will not be collecting sales tax for any transaction or fee.</i> These business users will need to report the applicable expenditures to the City of Denver, as it will be subject to a use tax. Fees subject to this tax include:

- E-Filing Fees (does not include actual court fees)
- E-Service Fees
- Colorado Courts E-Filing system optional features (case history, notifications, etc.)
- Printing Fees

Information regarding the rates and rules surrounding the use tax for businesses is available from the [City of Denver website](#). If your organization needs advisement regarding payment terms, applicability, or has any other general question, please contact the City of Denver at 3-1-1 (within Denver) or 720-913-1311 (outside of Denver). If your organization resides within Denver and is not currently registered for use tax, an application for a Denver Use Tax license can also be downloaded from the [website](#).
