

VOLUNTEER ATTORNEY CLINIC
1st Judicial District

Volunteer attorneys can explain basic civil law and common civil law related procedures. Packets which include forms and instructions are available for purchase from the civil window in the Clerk of Court's Office. Forms can also be printed from the internet at www.courts.state.co.us. You are not required to meet with an attorney prior to purchasing forms or packets.

Volunteer attorneys will not provide a second opinion on your case if you already have an attorney. Volunteer attorneys do not represent you on your case. This service is designed for one conference. If you are not able to resolve the problem you have presented to the volunteer attorney today, you should consider retaining an attorney to represent you or applying for representation through an agency:
