<p align="center">[O-25] MATTERS TO DISCUSS AT FEBRUARY 2, 2023 HEARING</p>	

This matter is scheduled for a motions hearing on February 2, 2023.

1. All motions were to have been filed by December 15, 2022. Defendant previously filed a motion for change of venue and a motion to waive jury trial. Those motions remain outstanding. The Court did not receive any other motions by the deadline imposed by the Court.
2. Defendant previously entered a plea of not guilty by reason of insanity. Defendant has been examined at CMHIP and the Court has received a report regarding that evaluation. Defendant requested a second evaluation. The Court understood that examination was to have taken place at the end of October or beginning of November. Defense counsel represented a report would be received within 30 days of the examination. The Court has not received a report regarding a second evaluation. The People have filed their P-34 motion regarding the matter.
3. Jury selection is scheduled to commence on March 20, 2023. The Court will discuss the mechanics of jury selection in this case. Counsel should be prepared to discuss the anticipated length of time for presentation of evidence for trial.
4. At some point, the proposed venire will need to be advised of the potential witnesses in this case. Counsel should be prepared to discuss the most expeditious manner to

accomplish that.

5. The Court will discuss media restrictions with counsel.
